Things to Do Before You Call:

- **Have a calendar handy to check your dates.**
  Make sure you know the exact day you need the drops to arrive and when you can ship them.

- **Plan your rentals in advance.**
  During peak backdrop rental seasons (i.e., December, June, etc.) it may be necessary to place your rental order 6 - 12 months in advance.

- **Have your Schell Scenic Catalog on hand.**
  Be sure you’ve reviewed our policies and procedures.

- **Choose two or three back-up choices per backdrop.**
  Make sure you write down second or third choices per backdrop.

- **Check the measurements of your stage and the drops you are renting.**
  Schell Scenic drops come in different dimensions. Make sure that your selected drops will fit your venue.

- **Have a credit card ready.**
  To place a reservation on a backdrop you may be asked to do so with a major credit card.

- **Get a purchase order number.**
  Some organizations require that we place their purchase order numbers on invoices.

- **Write down your Schell order number.**
  We will use this number to access individual orders. Your signed confirmation is required before your order will be processed.

- **Know your business address.**
  UPS cannot guarantee timely delivery to residential addresses. This may cause the backdrops to arrive later than expected.

1. In consideration of one dollar ($1.00) and other rent as agreed between the parties SCHELL SCENIC STUDIO, INC. (hereinafter referred to as SCHELL) agrees to rent the equipment listed on the reverse side hereof subject to the terms and conditions set forth herein. Accrued rental prices do not apply against purchase price.

2. During the term of the rental and at all times when the equipment is in the custody of the Renter, the Renter shall maintain the equipment in good condition and repair. At the end of the term hereof, or at its earlier termination, the Renter shall, at its cost and expense, deliver and return the equipment to SCHELL in good condition and repair, reasonable wear and tear excepted.

3. The Renter hereby assumes full responsibility for the equipment rented and agrees to compensate SCHELL to the extent of the full value should any item of said equipment not be returned or be returned in a damaged or broken condition due to any cause whatsoever. Renter further agrees to compensate SCHELL in rent for any time lost as a result of replacement or if SCHELL has to make repairs to broken or damaged equipment.

4. The Renter shall, at its own cost and expense, but for the benefit of SCHELL, immediately insure the said equipment for the full value against loss, or damage by fire, theft, water, acts of vandalism, or acts of God, with a qualified, reputable insurance company and shall deliver the said insurance policy to SCHELL together with the receipt for premiums thereunder. If SCHELL, by reason of such insurance, shall receive any sum or sums of money, such amounts may be retained and applied by it towards the repair or replacement of the said equipment, or it may remove the damaged equipment and, in lieu thereof, substitute other equipment of like kind and quality and any such equipment whether repaired or substituted, shall be subject to all the terms, provisions, and conditions herein.

5. The Renter shall not remove any equipment from the address hereinabove set forth without first having notified SCHELL and obtained from it a written consent for such removal. Rental of all equipment must be paid for the period of time it is in Renter’s custody and until its return to SCHELL. No allowance will be made for unused equipment.

6. Renter assumes all risks in the use and operation of the rented equipment and shall be responsible for providing proper safety devices and equipment to safeguard users or operators of the equipment herein rented and for installation of the equipment in safe and adequate facilities, in order to comply with all Federal, State and Local laws or regulations, and all industry standards.

7. It shall be lawful for the owner or its agents at all reasonable times to enter the premises where the equipment is kept for the purpose of viewing the condition of said equipment.

8. If the Renter shall default in any of the terms, covenants and conditions herein or in punctually making any rental or other payment, or in any execution or other writ or process shall be issued in any action or proceeding against the Renter, whereby the said equipment may be seized or taken, or if a proceeding in bankruptcy, receivership or insolvency shall be instituted by or against the Renter or his property, or if the Renter shall enter into any arrangement or composition with his creditors, or in the event that any judgment is obtained against the Renter, then and in any such event, SCHELL shall have the right to terminate this agreement and to retake immediate possession of said equipment and, for such purpose, SCHELL, its agents or employees, may enter upon any premises where said equipment may be, and may remove the same therefrom, with or without force and with or without notice of intention to retake the same, without being liable in any suit, action or other proceeding by the Renter.

9. Upon SCHELL retaking possession of the said equipment, pursuant to the provisions of the preceding article hereof, this agreement shall henceforth terminate without prejudice to any right or claim for arrears of rent, if any; or on account of any preceding breach or breaches of this agreement, or the loss of rental for the balance of the unexpired term herein, or for any other claim that SCHELL may have against the Renter.

10. The Renter shall not underlease, loan or otherwise permit the equipment to be used by any other person, firm or corporation and said equipment shall at all times remain under the immediate control, supervision and direction of the Renter personally.

11. The Renter agrees not to remove or cover the tag or nameplate on the equipment showing ownership by SCHELL.

12. The Renter hereby grants to SCHELL the right to terminate this agreement on 24 hours written notice by registered mail or personal service. On the occurrence of said event, the Renter shall immediately return to SCHELL at the Renter’s risk and expense, the equipment, in the condition as when first rented, and SCHELL shall, thereupon, upon said receipt, refund only the unexpired portion of the rental.

13. The Renter agrees to pay all reasonable attorney’s fees and costs incurred by SCHELL in protecting its rights or property under this agreement, or in any action or proceeding against the Renter for a breach of this agreement.

14. The acceptance of the return of the rented equipment is not a waiver by SCHELL of any claims that it may have against the Renter, nor a waiver of claims for latent or patent damages to the equipment.

15. The acceptance of any rent or other payment, or any portion thereof after a default by the Renter shall not be deemed to operate as a waiver of SCHELL’s right to enforce the payment of rent or other payments herein provided for, or to terminate this agreement and recover possession of its equipment. The failure to insist upon strict compliance with the terms and conditions of this agreement, even after a breach of any provision or after default, shall not be construed as a waiver of any of SCHELL’s rights under this agreement.

16. No terms, representation or warranty, express or implied, not herein set forth in writing shall bind SCHELL.

17. The Renter agrees not to pledge, mortgage or in any way encumber the property rented herein.

18. In all programs of production in connection with which the property and materials above set forth shall be used, credit for production materials and lighting equipment shall be given to SCHELL.

19. It is understood and agreed that the rental price does not include sales tax which is to be added to invoices as they become due.

20. The Renter expressly agrees to indemnify and hold SCHELL harmless from any and all claims arising out of any violation of any law, rule, regulation or order, and from any and all claims or liabilities for loss, damage or injury to persons or property of whatever kind or nature arising from the user or operation of the equipment herein rented, or from the negligence or carelessness of the agents or employees of Renter. Renter shall notify SCHELL promptly of any accident involving the equipment herein rented. Renter shall obtain contractual liability insurance in connection with this agreement and pursuant to this paragraph, in an amount satisfactory to SCHELL and shall furnish a copy of the policy with the premium marked “paid” to SCHELL.

21. This agreement contains the entire understanding between the parties, including representation, and may not be modified except by another agreement in writing signed by both parties to this agreement.

Don’t Forget to Plan Your Rentals in Advance...

At Schell Scenic Studio we experience a number of “Peak Backdrop Rental Seasons” throughout the year. Because of this we recommend that you plan all of your backdrop rentals at least 6 - 12 months in advance. By planning your rentals in advance you decrease the risk of having to choose a substitute backdrop.

Thank you, and we look forward to assisting with your next production!
